

WORKSHEETS FOR THE WEEK
(CLICK HERE)

Here are all the worksheets for the week in one location for those printing them off at home..

Term 4

Week 1

5H STAGE 3 HOME LEARNING PLANNER

PARENT INFORMATION:

Below is a suggested plan of how you may support your child's educational learning during this time at home. The learning tasks are designed to be completed independently by your child, perhaps with some support to get started. [We offer this resource to you as a guide.](#) We understand and appreciate the different circumstances for each family, and their capacity to support their child's home learning. We encourage families to do what you can with the resources you have. Please feel free to contact your child's teacher through the school email with any questions or challenges you may be experiencing. wilkins-p.school@det.nsw.edu.au

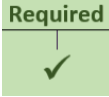

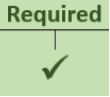

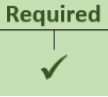

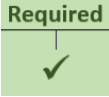

STUDENTS INFORMATION:

There are no assignments due this week. Make sure you complete all your activities and post on your home learning log every day!
