WILKINS PUBLIC SCHOOL

Uniform – POLICY

Date of policy 29/04/2016 Next review 29/04/2018 Status Draft

Purpose

Wearing a school uniform at Wilkins ensures all our students identify with the motto of the school, "Care Consideration Courage". By wearing the school's uniform students and parents are making a statement of pride about being a member of Wilkins School community. Wearing of our school uniform also allows the community the opportunity to identify with our school. Appropriate footwear is essential to allow students to participate safely in school-based activities.

Implementation

- All students are to wear their school uniform each day while at school, going to and from school and while participating in educational activities organised by the school.
- Uniforms can be purchased and advice provided from the school P and C Association.
- Good quality second hand jumpers and track pants may be available through the P and C.
- Zone, Regional and State hoodies owned by students though their sporting success may be worn on sports days only.

Changes to the Uniform

Small changes (like for like) to the uniform may be made by the uniform volunteers with consultation minuted due to, but not limited to;

- Companies going out of business
- Lack of quality of garments
- Better pricing but same quality
- Poor purchase of current stock
- Price rise of stock

Major changes need to go through the P and C for consultation, these include but are not limited to;

- Colour changes
- Style changes
- Major omissions (not due to poor purchase by community)
